

What you can donate to Blythswood Care

Our charity shops sell a huge range of stock and we are always looking for:

- Furniture (please note that mattresses, chairs and sofas should all have a fire label attached with the British Standards code - BS 7177)
- Soft furnishings (bedding, curtains etc)
- Cookware, tableware and household goods
- Small electrics only (working)
- Clothes, footwear, handbags, jewellery, belts
- Bric-a-brac
- Books, CDs, DVDs and vinyl
- Mobile phones
- Toys (not plastic)
- Tools
- Food (tins and packets with a use by date of at least six months)

We also welcome any old clothes or textiles that are no longer usable. We can raise money through textiles recycling.

**Why not sign up for gift aid on your donated goods and increase the value by 25%?
See our website Blythswood.org for details.**

Thank you for your kindness and generosity

Transforming lives through Christian care for body and soul
