

My Fundraising Scrapbook

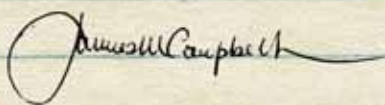

Thank you!

Thank you so much for choosing to participate in a fundraising activity on behalf of Blythswood Care. We are delighted that you wish to partner with us in our mission of transforming lives through Christian care for body and soul. We could not continue our work without the valuable support of people like you!

In this pack you will find a number of ideas for fundraising activities you can take part in. Just get your friends and family together and have a great time planning and carrying out one or more of the many events you will find in here. Of course, you can always adapt the ideas to suit you or think of your own activities entirely! It's all about being together and having fun while also doing something for a good cause.

So it's time to get creative and see where your inspiration takes you. Remember to take lots of pictures and contact us for a Blythswood T-shirt to wear too.

Thanks again and have fun!
